The ideal solution to enjoy the outdoors

Made in India We pick the very best raw materials and we follow aesthetics and functional criteria to turn them into products embodying Marble effect. and excellence. We sharply combine passion and technology, creativity and accuracy, science and culture, and environmental friendliness. To all of us, Made in India means gathering these features into every single product.

Technical and functional performance combined with refined aesthetics make Kerastone porcelain tile surfaces a contemporary furnishing element for indoor and outdoor spaces. The extensive range of large-format surfaces meets all esthetic and design requirements.

Thickness :
12mm

600X600MM

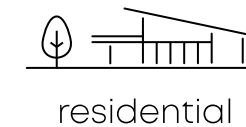

THICKNESS INCREASING ALLOWS HIGHEST BENEFIT

The 12mm thickness block ceramic tiles, made of porcelain are produced in different measures. now we introduce the new size 60x60cm.

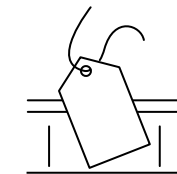

All of them created in order to satisfy people who look for perfect balance between functionality and aesthetics.

NEXT CONCRETE LOOKS

The variety of sizes, thickness and colours are such that it can be used for both indoor and outdoor areas, embracing all kinds of project requirements and offering a wide range of uses: for floors surfaces to be walked or driven on, and for particularly sophisticated furnishing and design accessories.
